USGA Rules of Golf govern play, as modified by the following ACC Local Rules & Conditions:

Bunkers: Bunkers will be played as lift, clean and place. Ball must remain in the bunker at a spot that is no nearer to the hole.

Flower beds, Wood Chips, Mulch and ornamental planting areas: Treat as obstructions. Flower beds within paved areas are considered part of the obstruction. Relief is mandatory. No penalty.

Aeration Holes: *Through the green*, a ball that comes to rest in or on an aeration hole may be lifted without penalty, cleaned and dropped as near as possible to the spot where it lay but not nearer the *hole*. The ball when dropped must first strike a part of the *course through the green*. On the *putting green*, a ball that comes to rest in or on an aeration hole may be placed at the nearest spot not nearer the *hole* that avoids the situation.

Aeration plugs: Aeration plugs as well as other obstructions such as stump holes will be painted white and will be ground under repair. Relief is one club-length from the reference point, is not nearer to the hole than the reference point and must be in the general area. When taking relief, the player must take complete relief from all interference by the abnormal course condition.

Immovable Obstructions Close to the Putting Green: All fixed sprinkler heads are immovable obstructions and relief may be obtained under Rule 24-2. In addition, relief is provided from fixed sprinkler heads on or within two club lengths of the putting green when the ball lies off the putting green, is not in a hazard and within two club-lengths of the sprinkler head.
